ABOUT THEO KOUSOULI D.C., CHT., C.I.

Dr. Theo Kousouli is a pioneering mind-body holistic healer, revolutionizing healing with innovative approaches. He is a board-certified *doctor of chiropractic, hypnotherapist, hypnosis instructor, keynote speaker, best-selling author, and the founder of the Be A MASTER® teachings and the Kousouli Method® of transformational healing*. He has been featured on national television shows, publications, and is a frequent guest expert at summits, podcasts, radio shows and other events.

Dr. Kousouli's personal experience overcoming family, health and medical misfortunes as a young man, resulted in his professional and spiritual path. (Bullied and attempted suicide at 10; Semi-paralysis at 21; Two open heart surgeries at ages 28 & 39, and he needs one every 10-12 years to keep him alive.)

He is the Founder of the Kousouli Institute of Healing Arts and as a personal transformation coach, he has advised entertainers, business leaders, energy healers, and spiritual seekers of all varieties to become their best by breaking limiting beliefs and re-connecting their soul to the source of life; their creator.

"AN INCREDIBLE STORY OF PERSONAL TRANSFORMATION AND NOW YOU HELP OTHERS HEAL TOO! THANK YOU FOR SHARING YOUR WISDOM AND KNOWLEDGE."

Dr. Nina Savelle-Rocklin, Psychotherapist
